LJMU

Liverpool John Moores University have a comprehensive online delivery programme for students with lots of useful information and support

Future Learn

FutureLearn - the social learning platform - asked people around the world to share their top study tips with us. We've now collated the best study tips - and combined them with expert advice from the academic community - to create The Crowdsourced Guide to Learning. This 60-page e-book offers useful advice on how to start learning, organise your studies, remember what you've learnt, keep motivated and learn with other people.
